cordially invites you to attend...*

## The What, Where, When and Why of Disease Reporting

*Speaker:*

*Holly Funkhouser Cucuzzella, MPH, CHES  
Burlington County Health Department*

**December 13, 2011 6:30 p.m. to 9:30 p.m.**

This program will provide 1 nursing contact hours for successful completion of program only on 12/13/11.

### **Program Information**

The Burlington County Health Department is conducting a research study on the reporting of communicable disease. The research project is designed to find out whether a professional education visit to healthcare professionals can have an effect on communicable disease reporting levels.

This program is targeted for healthcare workers in long-term care, assisted living, home care and acute care areas with the purpose of enhancing their knowledge regarding disease reporting.

**Objectives:** At the completion of this program, participants will be able to:

- ◆ List at least one reason why reporting is important
- ◆ Understand the difference between immediately reportable diseases and disease that are to be reported within 24 hours and provide examples.

**Program Admission Fees:** Free to CJC-NGNA Members; \$15 /person for non-members; \$10/person for students. Admission includes a light supper and contact hour certificate. CJC-NGNA Chapter meeting to follow Presentation. For more information on CJC-NGNA, visit our website: [www.cjcngna.org](http://www.cjcngna.org)

The NJ Department of Health and Senior Services Communicable Disease Service is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
