

Announcing new FREE Educational opportunities from the
American Society of Consultant Pharmacists (ASCP):

You are invited to participate in an ASCP CME/CNE/CPE online program or podcast titled:

Reducing
Peptic Ulcer
Complications in the Elderly

(Original Release Date: April 18, 2007; UPN: 203-999-07-050-H01)

These activities are based on a live audioconference. If you received credit for participation in the audioconference, you are not eligible to receive credit for this online program or podcast.

Sponsored through a collaboration of ASCP, AKH Inc., NADONA/LTC, and
Medical Communications Media.

Supported by an educational grant from AstraZeneca

For more information and to complet the online program go to www.cmecorner.com

Click on Senior Care under Practice Setting and look for the title.
